New Hire Orientation (NHO) Essentials: What You Need to Know	
Before NHO	• Career Profile • Travel • Accommodations • Orientation Details • Meals • Transportation • Badge Photo • Managers Only
High Level Key Essentials	• NHO Agenda • What to bring • Tech Pick up & Setup • Employee Badge
After NHO	• General Onboarding • What happens after NHO • Training Camp • Accommodations • Tech Support • Metamate
Your First Days	• Office Welcomes • In-person Time Policy • Transportation • Expense Report • Everyday Tools • Checkpoint
Parking and Other Logistics	• Parking • Visa Information • NHO Exceptions • Ergonomics • Desks

Before NHO

Please read to ensure that you feel prepared and that you know what needs to be completed ahead of NHO

Career Profile

- Check out the [Knowledge Library section](#)
- If you have questions after reading the content, please create a case and the team will get back to you.
- If you're having issues in setting up your Workday profile including resetting your password, please create a case in Career Profile.

Book Your Travel

- Book travel in Career Profile ASAP
 - NHO is all day and flights should be booked for a Tuesday departure
- If you are attending Bootcamp Live, your flight back will be booked for after 3:00 PM on Thursday
 - If you're not sure if you are attending Bootcamp Live, please confirm with your recruiter.
- If you are attending Admin Onboarding, your flight home should be booked to depart after 1:00 pm on Tuesday, to allow you time to attend the Admin Onboarding Kickoff + Welcome in-person.
- Need Visa information? [See below.](#)

US Government Travel Impacts

We understand the inconvenience of travel delays and disruptions; please come to NHO when you're able to safely.

Please be aware that CWT will most likely experience intermittent high contact volume, which may result in longer than average wait times. Overtime has been deployed with our agent teams and the situation will be closely monitored. We ask that over the weekend, employees only contact CWT for time-sensitive requests. We appreciate your patience and understanding.

FAQs

Q: Has my flight been impacted?

A: If your flight is impacted, the airline will contact you and they will automatically rebook your flight. Airlines are recommending travelers to stay up to date through their apps, which provide real-time updates. Please note that CWT does not have insight into whether or not your flight will be impacted.

Q: What do I do if I was rebooked on a flight that does not work for me?

A: CWT can review rebooking options with you, including looking at other airlines. Please note that CWT may not have immediate visibility of your flight change, as they are reliant on the airline sending schedule change notifications. In these cases, CWT will work with the airline directly if additional changes are requested.

Q: How do I contact CWT?

A: Call CWT using the phone numbers listed in the email signature in your travel booking email exchange.

Q: Should I proactively change my flight?

A: We are not recommending changing flights if you do not know if your flight is impacted, as airlines are proactively notifying travelers. However, if desired, CWT can support in reviewing rebooking options. Airlines are not currently imposing change fees, but there may be fare increase charges depending on the flights selected.

Q: When should I arrive at the airport?

A: The shutdown also affects TSA workers, so travelers should plan to arrive at least two hours before a domestic flight and three hours before an international flight to account for potential security line wait times. If you miss your flight due to security lines, the airline will not rebook you and you will need to contact CWT to book a new flight.

Accommodations During NHO

- Submit an accommodations request for Orientation by completing the [Accommodations Request Form](#) in Career Profile
- For Lactation Room access, speak to the Operations team at NHO (seated in the back of the room).

Orientation Details

- Review the Know Before You Go email for all NHO location specific information
- Orientation starts at 8:30am and ends at 4:30pm

Meals

- If you're traveling for NHO, you are allowed a \$100 daily allowance that covers meals
 - This starts when you leave your home (includes weekend days prior to NHO)
 - We encourage you to enjoy breakfast, lunch or dinner in our onsite dining facilities. Meta food is delicious!
- Don't forget to keep your receipts for your expense report!
- Relocations to Menlo Park, London, or Singapore are not considered NHO travel, and as such, the \$100 daily allowance is not applicable.

Transportation

- Transportation costs, such as rideshares to and from the airport or hotel, are reimbursable. This is separate from the \$100 daily meal allowance
 - Reminder: please remember to keep your receipts!
- [MPK Only]
 - Review your "Know Before You Go" email for details on getting to the NHO event, including parking information and campus/hotel shuttle options using your Shuttle Pass.
 - If you're local to the Bay Area and a campus shuttle isn't available to get you to NHO on time, you can use a ride-share service and expense it.
 - If you find that renting a car is cheaper than a ride-share service, this can also be expensed.
- [Singapore & London]
 - You can hire a car for travel, however, you may find it more convenient to use taxis and public transport (e.g., MRT, Tube, Busses)

Badge Photo

- Important Actions for Badges:
 - Before end of day the Wednesday prior to NHO please do the following:
 - Upload your badge photo in the pre-hire checklist in Career Profile
 - This will enable you to pick up your employee badge @ NHO
 - If your badge photo is *not* submitted *on time*:
 - You will need to pick up a temporary badge instead
 - Once you gain internal access, you will need to resubmit your photo and request a badge.

*More on '[Employee Badge](#)'

Managers Only

- If you are a people manager, there are some additional expectations for you:
 - If you have previously been a people manager at Meta and have attended Manager Orientation within the last two years, you are not required to take it again.
 - If you have been enrolled in an error, please email learning@fb.com.

 [TABLE OF CONTENTS](#)

High Level Key Essentials

Get ready to make the most of NHO: key details to help you prepare and maximize your time!

NHO Agenda

- Welcome to Meta
- Understanding the Road to Meta
- Break
- Meet your Metamates
- Mission, Values, Vision
- Build for Everyone
- Tech Set Up
- Lunch
- Meta Essential Tools
- Operating at Meta
- AI Tools
- Break
- The Road to AI
- Onboarding Next Steps

If you are going to Bootcamp Live, program kicks off the day after New Hire Orientation. You will receive more information in NHO

What to Bring

- In order to complete tech setup, you will need a personal device (phone, tablet or laptop) to access Career Profile
- Check the forecast before heading to NHO. The event space tends to be on the cooler side, so consider bringing a light layer.
- You are going to score awesome swag, so bring a bag to carry all your goodies!

Tech Pickup and Setup

- You'll get your tech (phone, laptop, and backpack) at NHO
- Please **pick up your tech from your local office** before flying to NHO **if you are from the countries listed below** (We will email you directions on how to collect it):
 - Israel
 - India
 - Singapore (if attending Bootcamp Live in London)
 - Argentina
 - Brazil
 - Colombia
 - Mexico

- Tech setup at Meta is self guided. You will receive instructions during NHO.
- You can use the help button to get support during tech setup.

Employee Badge

- Temporary Badges:
 - Temporary badges picked up at NHO can only be used until the Friday of your first week (at all campuses)
 - You will need to request a temporary badge until your permanent badge arrives
 - Temporary badges are only active for 24 hours after your orientation week
 - To renew your temporary badge, go to any lobby and ask to renew it on a daily basis
- Permanent badges:
 - To request a permanent badge, go to the online [badging support hub](#) and submit request
 - Be sure to select the office you will be working from to pick up your badge
 - If you're a remote employee who wants to go into the office occasionally, you must request a badge and pick it up the next time you're in the office.
 - Meta does not ship badges.
- If you're visiting an office without a permanent badge, make sure you bring a national ID for identification and then a Temporary Badge will be issued to you.
- If you have questions about the badging process please, refer to the [Badging Support Services page](#).
- Help is provided in the ["Badge Hub"](#) and not by the onboarding team.

Benefits

Benefits are tailored to the country of your employment - the info below is general. You will learn more through our internal People Portal.

- Health Plans
 - Your coverage starts on your first day of employment, even though you have not signed up for your elections
 - If you need to use your coverage before you enroll, ask to be billed later. Keep all documentation to be reimbursed with help of the Life@ team
- General information
 - Benefits information will be shared with you during orientation.
 - After you start you will be able to find more details in our internal People Portal, and search for "benefits".
- Other Benefits
 - For US employees, 401k details will be shared with you later, via email. It may take a few days for your account access to populate into the system.

After NHO

NHO's done, but the journey's just beginning! Find everything you need to know to get started and stay on track.

General Onboarding:

Your experience beyond NHO will vary based on your role and team at Meta. If you were hired to manage or lead people you will have specific onboarding assigned. Your role will determine if you attend a specific training camp. Not all roles have camps. You will receive detailed information and calendar invites relevant to your role.

General Onboarding info and new hire resources can be found on the [Onboarding Wiki](#)

- The New@ Meta Workplace group - visit [this group](#) which is dedicated to sharing resources and advice for new hires who need to thrive in their new roles at Meta.
- Explore [Workplace](#) - you will find communities dedicated to teams, projects, and employee resource groups among other things.
- Meta [Wiki](#) - a good place to start if you want to search for info.
- [People Portal](#) - info for source for people/HR related information and your benefits, contract, personal details, national ID - you can use the help center for any questions.
- Learn more about the offices and amenities with the [GWS New Hire Guide](#)
- Have questions? Use [Metamate](#)!

What Happens After NHO:

Once NHO has concluded, you'll start your role- or org-specific learning pathway. For some, this will start immediately, for others it might take place in Week 2, or at your own pace. If you're attending a training camp, see below.

[Onboarding in Me@](#) will guide you through onboarding content that is about Meta overall, specific to your role and from your team and org. It also includes links to required training that is housed in the Cornerstone On Demand (CSOD) platform. You may also receive emails about these required training sessions.

If you're not attending a training camp right after NHO, use the second half of Week 1 to explore the office, meet up with your new manager and team, travel home from NHO (if you traveled!), complete your Meta-required training, set up your tech equipment and internal profiles, explore our Meta Resource Groups, join a fun Workplace group or two and meet some new people!

Training Camps:

Here's what to expect:

- **[Engineering Bootcamp:](#)**

Your recruiter should have already informed you if you'll be attending Engineering Bootcamp. The in-person portion of the program (Bootcamp Live) begins the day after NHO and calendar invites for the sessions will be sent out on Day 1. Please refer to the Bootcamp Live program schedule [here](#). If you have any other questions about Eng Bootcamp, such as enrollment, please email Bootcamp@meta.com

- **[Product Manager \(PM\) Camp](#)**

New PMs are enrolled in PM Camp by the end of your first day at Meta. Keep an eye out for the calendar invites and camp welcome email. PM Camp typically takes place in your first week and is 3 days long (expect both live Zoom sessions and self-paced content through Me@). For a program overview, please refer to the PM Camp schedule [here](#). If you have any other questions about PM Camp, please email pmonboarding@meta.com

- **[Design Camp](#)**

New members of the Design at Meta community (Product Design, Content Design, UX Research plus other Design roles) will be enrolled in Design Camp by the end of your first day at Meta. Keep an eye out for the calendar invites and camp welcome email. Design Camp typically kicks off the Wednesday after NHO and is 3 days long (expect both live Zoom sessions and self-paced content through Me@). For a program overview, please refer to the Design Camp schedule [here](#). If you have any other questions about Design Camp, please fill out the help form [here](#).

- **[Analytics Camp](#)**

New hires within Data Engineering and Data Science will be enrolled in Analytics Camp by the end of your first day at Meta. Keep an eye out for the calendar invites and camp welcome email. Analytics Camp typically kicks off the Wednesday after NHO and is 3 weeks long (expect both live Zoom sessions and self-paced content through Me@). For a program overview, please refer to the Analytics Camp schedule [here](#). If you have any other questions about Analytics Camp, please fill out the help form [here](#).

- **[Global Business Group \(GBG\) Foundations](#)**

New hires in the Global Business Group will undertake GBG Onboarding, a multi-week, self-paced learning experience, with weekly activities in Me@. You

can make a start on [the coursework](#) assigned to you in Me@ starting in your 2nd week; just look for the “Start Here” module, which also contains a link to your GBG New Hire Guide. We recommend connecting with your team onboarding guide to walk you through the curriculum.

- **[Admin Onboarding](#)**

All Admin new hires are automatically invited to attend the Admin Onboarding Training Camp during their first week(s) at Meta. The camp structure includes:

- **In-Person Sessions:** The Admin Onboarding Kickoff + Welcome takes place on Tuesday mornings in Menlo Park, London and Singapore, following the new hires completion of New Hire Orientation (NHO).
- **Virtual Sessions:** The experience includes four virtual onboarding sessions that occur during the new hires' first week(s).

Calendar invites for these admin-specific sessions will be sent out on Day 1.

For the full schedule, please refer to the Admin Onboarding Training Camp [here](#).

Accommodations:

- For new hires with disabilities who need a reasonable accommodation to perform the essential functions of their job, please see [this page](#) with process info and use the [Accommodation Request Form](#)

Tech Support:

- Once you're on Workplace you can access the [Helpdesk](#)
- If you need to get support:
 - Access Helpdesk on Workplace or visit fburl.com/helpdesk (bookmark it for easy access).
 - To find an answer on your own or create a ticket via Support Center: find the "F" menu on your desktop and click "Contact Helpdesk".
 - To chat directly with helpdesk, open up the Help@ Remote Support app
 - Call Help@ at fburl.com/helpdirectory if you're completely blocked.
- New Hire Resources:
 - Helpdesk guide: fburl.com/helpdesknewhires
 - Desktop setup: fburl.com/newhiredesktop (contact Helpdesk after Day One).
- Tips:
 - Use voicemail only if you can't access Helpdesk on Workplace.
 - Complete Day One orientation on your laptop before setting up your desktop.
 - To get your desktop up and running you'll need to contact the Helpdesk directly. We recommend you wait until Day Two (or later) to avoid peak

traffic times. You can find the setup instructions here:
<fburl.com/newhiredesktop>.

Metamate:

Have questions? Use [Metamate](#)!

- Start using Metamate right away: bunnylol 'metamate' or 'qq'
- Access all resources from today with command /metamate-nho
- Learn more about Metamate as you onboard through Me@

 [TABLE OF CONTENTS](#)

Your First Days

Your first days set the tone for the year! Check out these key tips to make the most of your early days and set yourself up for success.

Office Welcomes

- Several office hubs have an Office Welcome program on Monday morning of week 2.
- You should receive an invite and have information in your Me@ onboarding plan.
- Go to [Workplace](#) and search for your local office to find useful information.

In-person Time Policy

- For office-based employees Meta operates an “In Person Time” Policy.
 - New hires assigned to work from an office are exempt from the “In Person Time” policy until the next policy period starts. Policy period starts the first Monday of the month.
 - Ex: Start Date is March 31, 2026, in-person time starts Monday, April 7.
 - Ex: Start Date is April 7, 2026, in-person time starts Monday, May 5.
- Each team will have different in-person days - please ask your manager for further information.
- For more information, please refer to the [policy page](#). Additionally, for remote based employees, check the policy page for rules that apply.

Transportation

- Bay Area and Seattle Area offices offer transportation options.
- Refer to the [Transportation Wiki](#) to find out more information.
- The ‘Mobile Home’ app on your work cell phone has a section called ‘RIDE’ that has localized info on transportation; shuttles; campus bikes; and your eBadge.
- The eBadge on your work cell/mobile can be used to access some transportation options.
- Need Help?
 - US: ride@meta.com
 - Other locations: globaltravel@meta.com

Expense Report

- If you have incurred expenses during your travel time to NHO, please review [Global Travel & Expense policy](#)
- On day 3, you will have access to use [Concur](#) to create an expense report
- For best practices and guidelines, refer to the [Travel & Expense Wiki](#)
- If you are relocating to Menlo Park, London or Singapore, expenses incurred during your travel time to NHO should not be expensed as relocation is not considered traveling for NHO.

Everyday Tools

- In NHO, information is shared that will help you navigate our internal tools and resources and connect to the company.
- [You can access a summary page of tools here.](#)

Performance Review Program

- [Checkpoint](#) is the name of our performance system, featuring a 4-point rating scale and twice-yearly reviews and recognition, with a focus on rewarding top talent. The two cycles are also when [promotion](#) decisions take place.
- [The Performance Tool](#) is the product used to facilitate the process.
- More information is available on [goal setting](#), [feedback](#), and how performance is [calibrated](#).

 [TABLE OF CONTENTS](#)

Parking and Other Logistics

Get settled: find essential details on visas, workspace setup and more to ensure a smooth experience!

Parking:

- Self-parking is available for anyone coming to campus, as long as there are open spaces available.
- No permit is needed, however, you may need a parking pass depending on the campus.
 - Check the Know Before You Go email for more details.
- Park motorcycles in designated spaces, not in vehicle parking spaces.
- Never park on unposted dirt or grass, or along undesignated roadsides.

Visa Information:

- If your Orientation Location is in London or Singapore
 - If you are currently working with Meta's immigration provider for work authorizations:
 - The same provider will support you with a visitor visa application for your NHO location
 - These services are automatically initiated.
 - If you do not require immigration work authorization services in your employment country but will require a visitor visa to attend NHO:
 - Meta's visa vendor, CIBT, will be available as a resource to provide end-to-end visa application support.
 - Support is self-initiated: you can click on 'New Hires' on CIBT's platform, [CIBTvisas](#), to initiate support.
 - CIBT can also be contacted via email: metanewhire@cibt.com.
- If your work location will be in Canada or Latin America
 - If you are employed outside of the US and require a US visitor visa to attend NHO in Menlo Park:
 - Meta's visa vendor, CIBT, will be available as a resource to provide end-to-end visa application support.
 - You can click on 'New Hires' on CIBT's platform, [CIBTvisas](#), to initiate support.
 - CIBT can also be contacted via email: metanewhire@cibt.com.

NHO In-Person Exception:

If you're unable to join us in-person and this has been approved, your tech will be shipped to your home address listed in Career Profile

- The "Tech setup" tab in your Career Profile will open on your start date after 7:30 AM in your local time zone and no sooner. You won't be able to set up your tech prior to your start date.

- If you haven't received shipping or tracking information on your equipment, use the "Get Help" button in Career Profile in the "New Hire" tab
- Once your tech is set up, check your email and prioritize your onboarding tasks in your Me@ Onboarding Plan.

Ergonomics:

The GWS Workplace Design Ergonomics team is here to help create a comfortable workspace for you and your team. You can learn all about Meta Ergonomics offerings here.

- Learn the Basics: Start by taking the [Ergonomic training](#) to learn how to set up your workstation correctly.
- Personalized Help: If you need additional assistance, request an individual assessment by filling out the [butterfly form](#) to get:
 - Workstation setup evaluation
 - On-site adjustments
 - Equipment adjustment instructions
 - Workstation tips and stretches
- Stay Connected:
 - Email ergo@meta.com for questions
 - Join the [Ergonomics Workplace Group](#) for tips and updates

Desks:

- If you were assigned a desk, use [SpaceView](#) to find it
- Explore the in-office seating options like [desk sharing](#) or [reserving a desk](#)
- If you would like to request a desk, [find your Space Captain](#) and request one

[!\[\]\(5a132f13505a6571904d622757b7a8f0_img.jpg\) **TABLE OF CONTENTS**](#)
